

You have just received a postcard from **the Postcard Project!**

What the...?

It's your own little piece of art, sent by a friend or admirer.

What is the purpose of the Postcard Project?

Making art and sending it out into the world.

What do I do now?

Well you can just sit back and enjoy your art...you don't have to do anything.

But IF you feel inspired, you can join the project and send out some of your own art!

Just create a postcard sized piece of artwork, send it to someone and that's it!

There are really no rules, so if you want to send a photograph, collage, or piece of cardboard with doodles...go ahead.

Have the art you create posted to the Postcard Project website

If you would like your postcard art posted to the Postcard Project site, scan or photograph your art and e-mail a web-sized digital image to postcardfrenzy@gmail.com. *

Additional information to send with the email

Not required, but you can give your name, location, who you received a card from and to whom you are sending the card.

VERRRY IMPORTANT: This is **not** a chain letter. You do not have to send the art you make back to the person who sent you the card. Absolutely nothing bad will happen to you if you choose not to participate.
